

## **Organisations acting as Kickstart Representatives in Greater Manchester**

Under the government's Kickstart scheme employers who are able to offer less than 30 Kickstart placements can work with a representative who will submit an application on their behalf.

Representative organisations will discuss the additional support that they will provide help make sure your placements meet the eligibility criteria for the scheme, submit your application and deliver a quality wrap-around support plan for your Kickstart participant.

This is a list of the current known representatives for employers based in Greater Manchester
