

# HERE FOR GREATER MANCHESTER

## SUPPORT FOR YOUNG PEOPLE

As lockdown restrictions continue, we recognise that young people in Greater Manchester may need support to prepare for their next steps, so we're committed to providing the guidance they require to navigate this challenging time. We're offering online courses to ensure we can still be there for young people.

We're proud to be working in partnership with the Greater Manchester Combined Authority to help young people in the region take the next step towards building sustainable futures. Through our ever-expanding network of businesses, schools and partners across Greater Manchester, we're working to reach young people in all ten boroughs.

Together, we can provide vital support to help young people keep their lives on track.
