

Hospitality Fact Sheet

Venue Check In Regulations

1 Display an NHS QR code poster and have a logbook for contact details

You are required by law to ask people to check in to your venue. This will allow individuals to receive public health advice quickly, helping to stop the spread of the virus.

2 Make sure your NHS QR code poster is visible and obvious

The poster should be displayed in a clear, visible and accessible location near the entrance for all visitors and staff to see easily.

3 You must ask all visitors, customers and staff to 'check-in' to your venue

Individuals can scan the NHS QR code poster with their NHS COVID-19 app (a quick and easy way to check in anonymously) or provide their name and contact number.

4 Rules for individuals visiting your premises

You are required to make sure that all individuals check in. If there is a group, all members must scan the NHS QR code poster, otherwise, at least one individual must leave their name and number on behalf of the group.

5 Legal duty and refusal of entry

You are required to take all reasonable steps to deny entry to any person that refuses to check in.

6 Venues will face financial penalties if ignored

Failure to take these steps could result in a £1000 penalty. This process is essential to support NHS Test and Trace and reduce the transmission of the coronavirus.

To download the NHS COVID-19 app, search for **"NHS COVID-19"** in the App Store or Google Play Store on your phone
